

The Emerald Harp

A Rainbow of Sound™ Musical Special for Children

The delightful *Emerald Harp* story takes place in Scotland. Children from the community will play the harp during the program. Christina Tourin, appearing as the fairy queen with her emerald harp, has the “elfin” children playing and creating beautiful harmonies on six Rainbow colored harps while the audience listens and watches the story unfold.

All children attending will have the opportunity after the show to play the harp.

EVENING LECTURE/CONCERT

The Power of Harp Therapy Enhances our Creativity During Changing Times

Find out how harp therapy is being used around the world to unleash creative potential. There are five distinct qualities that Harp Therapy Practitioners address when administering therapeutic music. Christina Tourin will guide you to create harmonious music within a matter of minutes. She will delight you with a concert full of diversified genres of music. The harps are provided
